The Arsikere Town Municipal Council in their meeting held on 27-12-42 have resolved to request the Government again for sanctioning the estimated cost of the said work The Council having heavy commitment for other various town improvement works like construction of a combined hospital building, Municipal High School buildings, High School General hostel building and providing housing facilities to Adikarnatakas residing in the town cannot meet the full estimated cost of the said work Further the "Hullibavi" is situated in the heart of the town is in a very dilapidated condition

In the circumstances I request that Government may be pleased to reconsider their order rejecting the prayer for a grant and sanction half the estimated cost as prayed for by municipal council
